

## Customer Lead in Kit

### Product Description

This product is designed to control the bend radius, protect the cable, and cover the hole where fibre optic cables are put through the walls of customer’s premises.

It can accommodate either 1 x 5mm OD fibre cable or up to 2 x 4.8mm OD unsheathed fibre cables with a 15mm Bend Radius.

The covers are supplied in grey for external use and white for internal use.

The conduit is supplied 300mm long to be cut back on installation.
